STATINTL

FROM:

Security Officer, United States Foreign
Intelligence Surveillance Court

SUBJECT: Security Survey

This is to confirm my telephone request to you of September 11, 1979, that a survey be made of the judges' chambers for the US Foreign Intelligence Surveillance Court, room 6725, main Department of Justice building, to determine whether they are presently suitable for accreditation for closed storage of SCI as well as discussion within them of SI/TK/ ☐ information. This is not a request for accreditation itself. Please call me ☐ beforehand if access to the chambers will be necessary.
